

# Gerald Anthony Furniture Store

**The Gerald Anthony Furniture Store is a charity that helps poor and displaced people furnish their homes with the basics.**

We have been running for over 100 years, staffed mostly by volunteers. We receive most of our funding from charitable trusts and local authority grants. We also receive regular donations from local businesses and sports clubs. Our team of enthusiastic volunteers collect and recycle unwanted furniture. We repair, re-paint and re-upholster old furniture. We also make good fridges, cookers and microwaves. We have our own showroom, workshop and delivery van.

**Looking for furniture?** Visit our new showroom or check the **web catalogue**. **Want to learn new skills?** We have a **volunteer training program** leading to qualifications. **Want to join us?** We are always looking for **volunteers – please sign up on the volunteers pages** or get in touch.

## Volunteering poster

Introducing our new volunteering poster which has just been printed, and is ready for distribution. You can [download a copy here](#) and pin it up (pdf A4). We also have printed A3 copies available for bulk distribution – please get in touch for details.

## Annual Review

We have just published our Annual Review for 2011-12. [Download a copy](#) (pdf, 8 pages) to read about all our exciting achievements in the past year, including our spacious new showroom, our new team of volunteers and a new online catalogue.

## Our trusty delivery van...

has just had four new tyres courtesy of McAnally's Garage on Wood Street. We are eternally grateful to Bob, Dick and Harry for their support. With the launch of our new online furniture shop we are anticipating increased demand for our furniture, and thanks to a grant from Esme Fairbairn, we are about to train a new team of volunteer drivers. If you would like to join the team, ring Lisa on 0123 45678 for a chat.
